LETTER OF ANNOUNCEMENT
Whitelist additional EU Hub IP addresses in your firewall

9th March 2022

On September 17th 2020, EMVO issued a [Letter of Announcement](#) (LoA) 'Reminder: Static IP addresses for the EU Hub', to advise OBPs to update the Outbound IP address to **20.50.15.235** for the traffic from Hub to OBP.

To prepare your organisation for a potential future Disaster Recovery scenario, EMVO requests you to update your whitelist and firewall settings to allow also traffic from the following IP addresses:

Environment: PRD
Name: hub.emvs.eu

Traffic	Current IP Addresses	**Disaster Recovery IP Addresses**
From OBP to Hub (Inbound)	52.166.195.52	**13.79.237.120**
From Hub to OBP (Outbound)	20.50.15.235	**20.54.41.237**

Please contact **your IT administrator to confirm that both Disaster Recovery IP addresses are also in your firewall's whitelist** and allowed in your network.

In the event of any questions or uncertainty, please do not hesitate to contact our Helpdesk:
