

LETTER OF ANNOUNCEMENT
EAMS Upcoming Releases in 2023 – AMS Clementine

14th June 2023

Further to the [Letter of Announcement](#) from May 2023, we are pleased to announce the deployment dates of the next planned **AMS Clementine (Hub V4.0.0 – Portal V3.0.0) Release** and provide further details:

- **IQE** currently planned for **October 19, 2023**
- **PRD** currently planned for **November 17, 2023**

The changes included in the AMS Clementine Release can be found [here](#).

If you are an OBP interested in using the EAMS, please consult [this document](#) which summarises all the steps for a smooth and effective on-boarding.

To answer any questions regarding the EAMS and the on-boarding steps, EMVO is organising a Q&A session with a short demo on **Thursday 29th June from 14:00 to 15:00 CEST**. The meeting will be recorded and uploaded later. To register, please click [here](#).

EMVO had already organised two Q&A sessions. The recording of the first session is available [here](#) while the recording of the second session can be consulted [here](#) together with a Demo of the AMS Portal. We also invite you to consult EMVO's Self Service Portal [here](#) which includes Q&As on the EAMS.

To receive regular updates on any developments in relation to the EAMS and the status of the connected markets, please subscribe to our monthly EAMS Newsletter [here](#). Alternatively, we also invite you to subscribe to the European Medicines Verification System Information (EVI) [here](#) to receive immediate updates related to the EAMS.
